

Globus Medical, Inc. Joins Providence Business Center at Oaks By Gambone Development Company

East Norriton, PA, January 2006 – Gambone Development Company is proud to welcome Globus Medical, Inc. to the prestigious tenant list at Providence Business Center at Oaks located in Upper Providence Township, Montgomery County, PA.

One of the fastest growing spinal implant companies in the nation, Globus Medical, Inc. was founded in 2003 by a group of medical device professionals whose vision is to create fusion and no-fusion solutions that promote healing in patients with spinal disorders. The company manufactures its products through both in-house manufacturing and a network of over 40 third party manufacturers. Globus Medical, Inc. has a staff of approximately 70 employees.

“Having Globus Medical as a tenant is a testament to our abilities in the commercial arena,” comments Joe Gambone, Jr., “We intentionally select prime locations for our commercial buildings so we can attract such solid companies.”

Providence Business Center at Oaks offers tenants 110 acres of office and industrial flex space with the option to build-to-suit, lease or sell. Conveniently located minutes from Route 422, 10 minutes from King of Prussia, and 45 minutes from Center City Philadelphia, Providence Business Center is easily accessible.

Founded in 1958, The Gambone Development Company has been a leader in the building industry for over 40 years. Headquartered in East Norriton Township, Montgomery County, Pennsylvania, Gambone's Commercial Division has developed and built quality-constructed properties from shopping centers to office buildings and industrial parks throughout suburban Philadelphia.
