## **Picturesque Country Setting and Buyer Savings Set the Stage at The Stables**

*August 2009* -- The Stables, an upscale luxury home community located in a picturesque country setting in Worcester Township, Montgomery County, is one of Gambone Development Company's most desirable developments.

Each of The Stables' 47 breathtaking single family homes sits on approximately one acre, and is appointed with the fine details that represent a Gambone home, including 2" x 6" perimeter construction, nine-foot first floor ceilings, hardwood flooring, rear staircase, luxury trim package, custom landscaping, and many more quality features for the distinguished homebuyer.

Priced from \$624,990, buyers can choose from three distinctively different home designs, ranging from 3,500 to 4,600 square feet. The Stables community is convenient to Skippack Village, King of Prussia, Plymouth Meeting, and major thoroughfares, such as the PA Turnpike and Routes 476 and I-76.

Spectacular end-of-summer savings and buyer incentives are going on now. Plus, as an added bonus, all lot premiums at The Stables have been waived, saving the homebuyer even more money.
